

DOCTOR'S NOTE

To all parents/guardians of children participating in the Natick Junior Redmen Football/Cheerleading Program:

You must have your son's/daughter's physician sign this note stating that he/she is physically able to participate in the program. This note must be dated after January 1, 2010 and must be returned to us during the first week of practice in August. If you have a copy of your child's latest physical and it is clearly dated after 1/1/10 and signed by the physician you may use that instead of this form.

_____ is physically able to participate in the
